Suggestion Box Update: The trustees do look at these suggestions at there next meeting & will review all comments. Latest was a suggestion to get new pick nick tables & a larger bulletin board. Both are in the works. See below.

Digital Projector Update: You may not know but we had the bulb burn out in the projector. One has been ordered and should be replaced & back in service by Feb. 20th.

Web Site: This is a great way to stay informed. If you can't find your newsletter or forget a date of meeting, just check the website for all of this information. If there is something you want me to add, let me know & I'll put on there. I finally got some new photos & will have them on the site soon. We are still looking for some advertisers to sponsor this website. We need at least six to help offset the costs a bit but definitely will accept more. These ads will get mentioned in newsletter as well.

Pick Nick Tables: We will be unveiling a new table this spring. Others we hope to have dedicated like we did with the "Social Seats / Bar seats". Details on cost for dedication to come later.

New Bulletin Board: A large open board will be placed in the hallway going to the bathrooms. This will be a public display board that members can post things. Business cards, For sale items, flyers, etc. The trustees reserve the right to take down anything that would be conflict of interest or inappropriate.....so keep it clean.

T-shirts/ Hats/ Visors & Key Chains still Available: If interested, let a trustee know & we can get you one. They are at the clubhouse with prices on them.

New Docks: We are looking at adding at least two sections of dock just south of the ramp. An extension to the docks we already have. This should help accommodate a couple more pontoon size boats for dockage. We will be building these at the work parties & use all the help we can get.
